SKILLS

I am fairly skilled at website creation and semi-fluent in programming languages such as *Python*, *SQL*, *C*, *HTML*, *Javascript* and *CSS*. I can also speak French at a conversational level. I am part of the staff team on a Minecraft server and am a Sentinel. I am a community moderator on the Knowt public Discord server and a Life & Style Forum Helper for The Student Room. Currently, I help to co-run the LGBTQ+ Society and Hackathon Club at Parmiter's School, alongside my roles as House Captain, member of the Equalities Committee, and Computer Science Admin. Currently, I study Computer Science, Design & Technology, and English Literature, and wish to study computing further at university.

HOBBIES & INTERESTS

In my free time, I am passionate about caring for animals, evident through my involvement in a local dog-walking group and my ownership of both a dog and cat. Beyond my responsibilities, I engage in a diverse range of activities, including being an avid reader, cyclist and artist. Additionally, I also enjoy playing the guitar. One of my deepest passions lies in web development -. I am incredibly motivated to turn this passion into a fulfilling career, evident through my creation of multiple websites.
