VOLUNTEERING

> Life & Style Forum Helper - *The Student Room*
> Software Tester - *Knowt*
> GCSE Computer Science Mentor - *Parmiter's School*
> Senior Librarian - *Parmiter's School*

SKILLS

I am skilled at website creation and fluent in programming languages such as *Python*, *SQL*, *C*, *HTML*, *Javascript* and *CSS*. I can also speak French at a conversational level. I am a Life & Style Forum Helper for The Student Room. Currently, I help to co-run the LGBTQ+ Society and Hackathon Club at Parmiter's School, alongside my roles as House Captain, Equalities Committee Prefect, Senior Librarian, Senior Prefect, Form Prefect, and Computer Science Admin. I am studying Computer Science, Design & Technology, and English Literature, and I wish to study Computer Science further at university.

HOBBIES & INTERESTS

In my free time, I am passionate about caring for animals, evident through my involvement in a local dog-walking group and my ownership of both a dog and a cat. Beyond my responsibilities, I engage in a diverse range of activities, including being an avid reader, cyclist and artist. Additionally, I also enjoy playing the guitar. One of my deepest passions lies in web development -. I am incredibly motivated to turn this passion into a fulfilling career, evident through my creation of personal websites.
